

BETHEL CUSTOM BRICK

Job Title: Laborer

Position Overview:

Our masonry company is seeking a reliable and hardworking Laborer to support our construction team on a variety of residential projects. The ideal candidate will assist skilled masons and crew members with site preparation, material handling, mixing, concrete work, and cleanup, while developing hands-on masonry and concrete skills. This role requires physical stamina, a strong work ethic, dependability, and a commitment to safety on every job site.

Key Responsibilities:

- Assist masons and crew members with daily tasks to keep projects running safely and efficiently.
- Load, unload, and transport materials, tools, and equipment to and around the job site.
- Mix mortar, concrete, and other binding agents to the proper consistency.
- Assist with concrete pours, finishing, and related concrete work as directed.
- Prepare, grade, and clean work areas before, during, and after each project.
- Operate basic hand and power tools safely under supervision.
- Follow all safety protocols and maintain a clean, hazard-free work environment.
- Support the team in completing projects on time and to company quality standards.

Qualifications:

- Prior experience as a laborer in construction or masonry is preferred but not required.
- Experience with concrete finishing is a strong asset and highly valued.

- Ability to perform physically demanding work, including heavy lifting, in varying weather conditions.
- Willingness to learn masonry and concrete techniques on the job.
- Strong work ethic, reliability, and consistent punctuality.
- Ability to follow instructions and work effectively as part of a team.
- Understanding of, or willingness to learn, job site safety practices and building codes.

Additional Information:

- Competitive pay and benefits package offered.
- Opportunities for professional growth and advancement into skilled masonry and concrete roles.
- Flexible working hours may be required to meet project deadlines.

If you are a dependable, hardworking individual looking to build a career in the masonry and concrete trade, we encourage you to apply and become a key member of our team.
